

First 100 Days

MORALE	MOMENTUM	MOTIVATION
Pride	Confidence	Excitement
Winning Achievements	What's Working	Bigger And Better
You identify your best progress and achievements in your personal and business life that have prepared you for being at your best right now.	You identify everything that's working for you right now: your best resources and capabilities that are already moving you forward.	You're looking forward to new opportunities that are suddenly possible because of the dramatic changes in the marketplace.

First 100 Days

You and your team will be totally focused and prepared to accomplish these extraordinary breakthroughs as soon as the “new normal” starts.
